

Join our Young Curator programme!

Would you like to do a research project that may be displayed in the Little Museum of Dublin's online gallery?

There are four simple steps:

- 1 Choose a person, object or event in the history of Dublin
- 2 Find out why your topic is interesting and memorable
- 3 Create a project about the subject with pictures and text
- 4 Submit your project!

Please email a picture of the project to martha@littlemuseum.ie plus the young curator's *first name, age* and *guardian consent* for the project to be shared on the Little Museum of Dublin social media.

Hint: Younger children may prefer to draw and submit a picture of their favourite place in Dublin
